To

The Honourable the Minister

for Public Health,

Government of Madras, M A D R A S.

Humble Memorial by the Congress Committee

of Pethri, Udipi Taluk, South Kanara,

Dated 29--9--1937.

Honoured Sir,

On the representations of the residents of the five villages, namely, Cherkadi, Aroor, Nilavar, Havanje and Bellampalli in Udipi Taluk, South Kanara, constituting the Pethri Congress Committee, with due respect this Memorial is submitted for Your Honour's sympathetic consideration and favourable orders.

1. Your Honour's humble memorialists beg leave to submit that there was a Rural Dispensary at Kunjal to relieve the sufferings of humanity in the abovesaid five villages. Now this Rural Dispensary has been transferred to Trikarpur, a place in the Kasargod Taluk of South Kanara, more than 200 miles away. The order of transfer of the Dispensary and the cancellation of the same at Kunjal has highly aggrieved Your Honour's Memorialists as there is no other free Dispensary at a radius of 13 miles, to attend on and relieve the sufferings of the poor. The poor sufferers both due to financial poverty and bodily ailments are put to great hardship and cannot afford to

pay

pay conveyance charges plus the cost of medicine.

2. Secondly, Your Honour's memorialists - humbly further submit/ that the free Rural Dispensary at Kunjal (now on orders of transfer to Trikarpur, Kasargod Taluk) may be magnanimously ordered to be restored to - 'Pethri' the central place for the abovesaid five villages and also to other neighbouring poor people.

3. Thirdly, Your Honour's memorialists submit that the free Rural Dispensary at Kunjal with its worthy ever sympathetic Doctor was a boon to the suffering - humanity in the abovesaid jurisdiction--the Doctor being ever ready to help the poor sufferers.

4. Fourthly, Your Honour's humble memorialists feel confident that His Majesty's benign Government and the Honourable the Minister will duly consider the legitimate wants and needs of the poor subjects with due regard and sympathy.

Therefore the Memorialists most humbly and respectfully pray that the free Rural Dispensary (now on orders of transfer to Trikarpur, Kasargod Taluk) may kindly be restored to 'Pethri' with the generous Doctor.

For which act of magnanimity and benevolence, Your Honour's humble memorialists shall ever pray.

We beg to remain,

Your Honour's humble memorialists,

For Khendra Congress Committee,

Pethri, South Kanara,

Memorial of the Villagers in and around Kunjal, Udipi Taluk. South Kanara District.

Dated

The Public beg to represent as follows:-

Re: Rural Despensary at Kunjal - abolition
G. O. passed.

1 That the Rural Dispensary at Kunjal has been in existence for the last 7 or 8 years catering to the needs of several villagers up to a radius of about ten miles and has been a great boon to the poor village folk

2. That even the hamlet called "Kunjal" is a place of business centre with an important weekly market collecting thousands of people from all the neighbouring and even distant villages.

3. The place is also noted for "cattle trade on account of the fact that there is a continual "Cattle fair all through the year resorted to by the cattle purchasing ryots of not only this District but also of north Kanara and Mysore. The cattle fair here is even more important than the famous one at Kulagunda by reason of the fact that the latter is held only once in a year while the former continues throughout the year. These factors have made Kunjal a place of busy traffic

4. That Kunjal is a centre place to six or seven villages.

5. That there is a punchayat Court and a Panchayat Board Office relating to four Villages.

6. That the people now learn with a shock that the Government has passed orders to abolish the Rural Dispensary at the place.

7. The necessity of a Dispensary at Kunjal cannot be

ASST. SECRETARY TO GOVT. 2 - DEC 1937 MEDICAL AND PUBLIC HEALTH DEPT.

too much emphasized. Its abolition was a great blow to a vast Population who have been receiving its benefits so far and who will be quite helpless for medical aid since there is no Rurall Dispensary near about.

8. It is earnestly prayed that the Hon. Secretary in Council may be kindly pleased to get the informations through the departments concerned about the daily attendance in the Rural Dispensary in question forthe last 5 or 6 years, which will completely satisfy the Government that the Rural Dispensary at Kunjal is too much necessary and also a great boon to the public.

9. It is therefore humbly and earnestly prayed that the Government may be kindly pleased to consider the above fact and recommend the retention of the Dispensary in question.

For which act of kindness the public will ever pray and remain grateful

We beg to remain,

In Go no 2013 P H D 12-8-37, the Govt ordered that the subsidised rural dispensary at Kunjal in the South Kanara Dt should be closed as the daily average attendance at the rural dispensary has been low for some years past & has not improved. The Dt Bd proposed to utilise the provision for the dispensary at Kunjal for the opening of a dispensary at Hiriadka but as Tricarpur was said to be more in urgent need of medical relief than Hiriadka, the DDB South Kanara was asked to place the question of transferring the provision to Tricarpur before the Dt Bd & to communicate its views to Govt. The Dt Bd has agreed to the transfer.

3 annexe

It has been ascertained from the District Medical Officer, South Kanara that there is no village called Pethri. Pethri is reported to be only a hamlet in Cherkadi village of Udipi Taluk and that Tricarpur is in greater need of a dispensary than Pethri. I agree with the District Medical Officer.

The daily average attendance of the dispensary at Kunjal in 1936 and for the first nine months of 1937 is as follows:-

1936	--	20.24
1937	--	24.86

The petitions from the people of Kunjal and Pethri do not therefore deserve consideration.

The memorial of the villagers of Kunjal is herewith returned.

Please see H'ble orders on pp 1 and 3 ante and the S.G's note reply on p. 4 ante. The question is whether the rural dispensary which was closed at Kunjal and transferred to Tricoupen under Govt No. 2013 P. H. Dy 12.8.37. Shd he (G1) retransferred to Pethri as desired by the Congress committee of the locality, or ~~be retransferred~~ to Kunjal as desired by the inhabitants of the village. The S.G says that Tricoupen is in urgent need of a dispensary. The annual daily attendance at Kunjal is also poor as shown in the margin. It seems therefore unnecessary to order the retransfer of the dispensary at Tricoupen to Pethri or Kunjal. It is open to the Govt to open one at Pethri from its own funds if ~~necessary~~ desired.
